REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 C.F.R. §1.47 (a)

Assistant Commissioner for Patents
Box PCT
Attn: PCT Legal Office
Washington, D.C. 20231

Dear Sir:

In response to the Decision On Renewed Petition Under 37 CFR 1.47(a) mailed January 10, 2003 (the "DECISION"), Applicants respectfully request reconsideration. Applicants have enclosed complete copies of the declarations signed by the remaining inventors. Accordingly, acceptance of the declarations is respectfully requested.

BACKGROUND

In the DECISION, Applicants' Renewed Petition Under 37 CFR 1.47(a) (filed 21 November 2002) was dismissed as moot – since the previously uncooperative inventor had now signed the declaration.

However, the DECISION also noted that complete copies of the declarations signed by the remaining inventors were required. This was in response to a declaration from the remaining inventors being inadvertently forwarded with only the signature pages from several different execution copies.

Three complete copies of the executed declarations from the remaining inventors (e.g., those inventors that were not originally "non-signing" inventors: Inventors Morgan, De Wet, Botha, Kindermans, Spamer, Nkosi and Mbatha) are enclosed in compliance with 37 CFR 1.497 and MPEP 201.03 B. A complete declaration signed by Inventor Nash was filed on November 21, 2002. All named inventors have now executed a declaration.

CONCLUSION

All named inventors have executed a declaration. Copies of the declarations for the remaining inventors are enclosed. A complete declaration signed by Inventor Nash was filed on November 21, 2002. Therefore, Applicants request that this application be approved for further processing.

If a telephone conversation would be helpful in resolving any issues concerning this communication, please contact Applicants' attorney-of record, Brian H. Batzli (Reg. 32,960) at 612.336.4755.

Respectfully submitted,
